Winner of Extempore Speech on Total Quality Process	2001
Most Safety Conscious Employee, Bokaro Steel Plant/SAIL	2003
BBS in International Safety Conference at Gandhinagar, Gujarat	2012
A certified OHSAS 18001-2007 Lead Auditor	2013
5S Lead Auditor QCFI	2017

Book Published 1. *A hand Book for Safety Professionals*, 2011 2. "Jeevan Rakhcha Hunar" 2016

Member National Safety Council No.-CH JK85, District QCFI District Disaster Management, Bokaro

Correspondence Address Sector - 4/F, Qr. No. 3145, B.S.City, Pin- 827004, Jharkhand, India

Work experience	Power Sector	BPSCL – (A JV of SAIL & DVC)	From 2004 to till date	AGM (HSE)
	Steel Sector	Bokaro Steel Plant / SAIL	From 1990 to 2004 – 14 Years	Safety Inspector (HSE)
	Chemical Sector	Birla Caustic Chemical Ltd.	From 1989 to 1990 – 1 Year	Safety Officer (HSE)

QUALIFICATIONS	Science Graduate (PCM)	Magadh University	1986	1 st Div.
	Ind. Safety Management	Patna University	1987	1 st Div.
	NIBOSH IGC-3	UK (India Center)	2013	1 st Div.
	Diploma in Fire safety & Security Mgt. (Distant Mode)	IRMPD, Jaipur	2001	1 st Div.
	Diploma in Disaster Management (Distant Mode)	IRMPD, Jaipur	2002	1 st Div.
	BE Mechanical (Distant Mode)	NIBMT, New Delhi	2002-06	1 st Div.

Special QUALIFICATIONS	Warden trg in Civil Defense by Government of India	Bokaro Center	1996	-
	Awarded Internal Auditors of Quality Systems, IRCA Registration Governing Board	UK-based – ASK EHS, India British Standard Institution (BSI)		
	First Aid Trainer	ST. Johns' Ambulance Service, Red Cross Society,		
	5S Auditor course	QCFI, Durgapur Chapter		

National & International HSE trainer O&M, Industrial, Construction & Process safety, EIA, Overhead distribution, Electric utility Underground distribution, disaster management, Construction, Road Safety, Behaviour Based Safety, (> 1000 Power Point Presentation)

Training Imparted by Tailor made modules Patna Univ., ITI Jharkhand Govt., KEC International, Electrosteel Steel Ltd., NOBOSH UK, India, HCC, BPSCL, Hindustan Steel Works Ltd., Cement Plants, Power Plants, Electrical Transmission Substations, Process Industry, Chemical Industries, Qatar Steel, Qatar Petrochemical etc., DVC, RSPL.

Safety Studies Associated *Disaster Management & Emergency preparedness, OHSAS 45001, EHS 14001 & ISO 9000* [Engg, Projects & construction Division of Power Plant], Working at height, organizing & Investigation, Workshops, Seminar, Testing & Examination [of lifting machines/ tools/ tackles, pressure plants/ vessels], Scaffolding Expert, Inspection, Audits

Expertise Well equipped with the Computer Proficient Latest user package Latest **state-of-the-art** training methodology → Power Point presentation, relevant video films, case-studies, besides deployment of conventional aids & HSE Software's enabling participants to acquire a integrated learning. Implementation of 5S Work Place Management Prcess.

An expert witness In litigation involving CFTPP, chemical, electrical accidents, Construction & compliance, Factories Acts & Rules, BOCW Acts & Rules, Disaster Managements etc. Supreme Court and High court cases.

Consultancy Safety, Fire, Disaster, Health & Hygiene, Project Safety, Construction Safety etc.

Special Assignments	
Safety training modules	Developed & imparted, 500000 (ap) persons of National & International
EIA Study	Blr#9 Project BPSCL
HAZOP Study	Argon Recovery Plant, BSL/SAIL & LPG Storage, Durgapur Steel Plant.
Disaster Mgt. Plan	25 Districts of Rajasthan
Emergency preparedness	BSL/SAIL & BPSCL
On Site Emergency Action Plan	BSL / SAIL & BPSCL
Job Safety Analysis	Unloading of Liquid Ammonia, BSL
HAZAN	L&W Shed of Traffic Deptt., BSP & Boiler Operation of Power Plant/BPSCL
Safety Audit	BSL/SAIL & BPSCL
Construction Safety Audit	Continuous Casting, BSL/SAIL & BTG#9, BPSCL
System Safety Analysis	Conveyor galleries of Thermal Power Plant. BSL/SAIL
Project of JCSSI	Illumination level of Rail-Road crossing of entire Plant. BSL/SAIL
Special Safety Drive	Hazardous Installations of BSL/SAIL
A study report	Safe working at Height, BSL/SAIL
Preliminary Hazard Analysis	Benzol Tank of BRP - 1. BSL/SAIL
Safety checking	50 nos. of internal Locomotives of Bokaro Steel Plant. BSL/SAIL
Medical & Health checkup	100% coverage of Regular Employees Power Plant/BPSCL
Implementation	5S Works Place Management System & Quality Circle in BPSCL
Fire Prevention	Fire Load Calculation of Fuel Oil Station & Transformer Yard, BPSCL
